

Request for Proposals 2023

Les Passees, Inc. is pleased to accept Letter of Intent submissions for consideration of support through its yearly grant cycle beginning May 15, 2023. Please contact Les Passees, Inc. with questions about the 2023 grant cycle at grants@lpmemphis.org.

Letter of Intent (LOI) Submission

The LOI is the first step in determining whether an organization may be eligible to apply for a Les Passees, Inc. grant. The LOI serves three purposes. It provides an overview of the organization, introduces the proposed project, and provides the organization's budget and project's budget. The LOI requires narrative responses and supporting several documents. If the organization is invited to apply for a 2023 grant, the LOI responses and supplemental documents will be considered along with the grant application; therefore, **we strongly recommend that organizations carefully consider the LOI submission.**

LOI and Grant Application Process

All LOIs must be submitted by July 1, 2023, 5:00 p.m. CT by email to grants@lpmemphis.org. After submitting the LOI, organizations will receive an email stating that Les Passees, Inc. received it. If an organization does not receive a receipt email, please contact grants@lpmemphis.org.

All LOI applicants will be notified by email on or before August 1, 2023, of their grant application invitation status; please ensure the accuracy of the email on file. If the LOI is approved, the invited organization should **submit the grant application on or before September 15, 2023, 5:00 p.m. CT.**
