

How to Deconsign

Collect all of your items. You need to find them on the floor. This may take some time, and you should plan several trips.

Use a cart to load them up.

Take them to the back of the store.

Our deconsigning hours are 10am till 2pm

You will get a receipt for all items you are taking out of the store, please sign it and give it to the volunteer who is helping you, she will give you a copy that she will sign.

We will not deconsign any item marked at \$5.

Please leave the store through the back entrance and show your receipt. If you wish to shop, please come in through the front without your newly deconsigned items.

We will help you deconsign until 10/27. Any item not retrieved by 10/27 will become the property of Les Passees.
