

Husbands are our Rock Stars

Thank You

If you would like to thank your husband for being so understanding during Les Passees Stock Exchange, please consider doing it in writing (so to speak). Our husbands give us the encouragement, support, time and understanding, and much needed love during Les Passees Stock Exchange so we can accomplish our many goals. Again this year we are selling space so the husbands can be recognized in the Cabaret Program. Each space will be \$20.00. Just complete and turn in the form below with your payment.

All submissions are due by **January 10, 2023**.
